Volume 1, Issue 22 February 14, 2020

Mass Schedule

We will have school mass on Tuesday and Thursday. The 3rd & 4th will have mass parts. Parents, grandparents, and parishioners are welcome to join us!

Blood Drive

Thank you to everyone that was able to give blood on Tuesday! While we do encourage the students to ask people to donate by using incentives, the real reason we hope others will give is to help save lives. There is a shortage of blood and we want to help by doing our part if we are able to!

Make-Up Days

We have three snow days that we will be making up. The first one will be made up on President's Day, Monday, February 17th. The second will be made up on the day we had off in March, Friday, March 13th, and the third on Wednesday, May 20th. School will now be in session all three days. The other snow days we have we will not be making up. After discussion with Fr. Kane and the Advisory board it was decided to use the makeup days built in the calendar, but to not add any more to the end of the year.

Governor's Visit

We are so excited that Governor Parson is coming to visit our school on Friday, March 6th! He will be arriving at 9:15 and will be with us for 30 minutes. We plan to begin in the church basement and will have some songs prepared for him before taking him on a tour of the school. We hope that many parents, grandparents, and parishioners will be able to join us that morning!

President's Day

We will be in session on President's Day. The public school is not, so there will be no bus service in the morning or afternoon.

Calendar Change

On March 20th school will not be in session. The teachers will be attending a professional development day at Sacred Heart in Sedalia. I apologize for any inconvenience this causes for anyone.

Lock-In

The lock-in is next Friday! We will begin in the church basement at 6:00. We will have supper around 6:30. The pk-4th grade pick-up time is 10:00 and the 5th-8th 8:00 Saturday morning.

Spring Field Trip

Now seems like the appropriate time to have anyone interested in attending our spring field trip save the date. On Friday, May 8th we will be touring Arrowhead Stadium, we're glad we booked it in August! While there we will tour the stadium and visit the Chiefs Sports Lab. It features hands-on and interactive computer activities promoting the importance of being active in daily life, good nutrition, and healthy living. At the time arranging the field trip there was no limit on parent chaperones attending. More information will be sent out closer to time.

Mid-Quarter

With snow days and the crazy schedule mid-quarter reminder slipped right by! Third quarter mid-quarter progress reports and AR goal updates are being sent home today for K-8th. Hopefully the remainder of the quarter will be a little more routine!
