SCHOOL NEWS

Catholic Schools Faith. Excellence. Service. **Fish Fry**

Thank you to everyone that supported the 2nd Home & School Fish Fry! Almost 500 people were served.

Talent Show

For our event, this year the students will be performing in front of the school and recorded. The recording will be put on our YouTube channel for parents and grandparents to view. We hope to next year be able to host our talent show and taco bar in person!

Changes

As our school continues to grow, which is such a blessing, we are beginning to see our growing pains! The 5th-8th grades have been combined for some classes and as our class sizes continue to grow (which is so exciting) it is time to separate these two classes when they are together. With that being said we will be looking for a new full-time 5th & 6th grade teacher and Mrs. Watring will continue in the role as principal and will also work with students that need additional support, especially in reading and math. If you, or you know of anyone that would be interested in applying for this position please contact Mrs. Watring at nwating@stjosephcougars.com or call the office. This is an exciting step to take and a great direction for our school! Please continue to pray for our school, our students, our parents, and our staff!

Daycare

In other exciting news the advisory board along with Fr. Kane, and Mrs. Watring have decided to go forward with the daycare center. Plans are being finalized and we hope to have a start on it soon. We are looking at a tentative opening of early fall. Application for parents wishing to enroll their child(ren) in the daycare will go out after Easter break.
