

"Go And Make a Difference" **January 30, 2026**

Manners & Virtues

This week's manner focus is respecting people's space. Our virtue is modesty, reminding students to be respectful of themselves and others. The goal for the week is to keep our hands and feet to ourselves and respect everyone's personal "bubble," both in the classroom and during transitions. Our bible verse is 1 Corinthians 6:19 – 'Your body is a temple of the Holy Spirit!'

Mass Schedule

Mass will be on Tuesday and Thursday next week. The 3rd & 4th grades will have Mass parts. Parents, grandparents, and parishioners are welcome to join us!

Catholic Schools Week

That's a wrap on another successful Catholic Schools Week! Thank you to all the parents for helping their children with the activities and dress-up days this week! We will be rescheduling the Character Counts Day during Read Across America Week, which will happen the first week of March. More information to come about that week at a later date.

Most importantly, thank you for choosing St. Joseph for your family. We know that every family has options when it comes to where their children spend their day and the values that shape them. We do not take that choice lightly. We are grateful for your trust and remain committed to providing a strong Catholic education that builds both faith and character. Your continued support through your prayers, involvement, and encouragement helps our school thrive and makes our mission possible!
