

"Go And Make a Difference" February 13, 2026

Manners & Virtues

This week's manner was to let others go first. We talked about ways and situations that students can practice this. The virtue for this manner is gentleness.

Weekly Challenge: Let someone else choose first – in line, during games, or when making group decisions. Practice putting others before yourself with a kind and gentle heart.

Matthew 5:5 – "Blessed are the meek."

Lent

As we begin Lent on Wednesday, we will start trying to spend a little extra time thinking about God and growing in our faith. Lent is a time for prayer, fasting, and small sacrifices. Many students choose to give something up, but it's also a great chance to add something good, like saying an extra prayer, helping at home, or being extra kind to others. We encourage our students to use this season to practice love, patience, and generosity in simple ways each day.
