Mass Schedule

The church will still be having carpet laid next week so we will be saying a rosary in the cafeteria on Tuesday and Thursday. The 3rd & 4th grade will be leading the rosary for the school.

Grandparent’s Day

Grandparent’s Day is scheduled for Friday, September 20th. Included in folders last week was a letter with more information about the day and a portion that needs to be returned with information about grandparents attending. Please return that portion along with the \$3 per grandparent by next Friday. That day there will be no bus service in the morning or afternoon, the public school is not in session that day, and we release early that day as well.

Blood Drive

The first blood drive for the year is set for September 10th and will be held at the community building. Students are encouraged to call and ask for donors. Any students getting two donors will receive an extra recess, with three they will get an extra recess and a treat from Mrs. Lorenz. Help save lives and ask someone to donate today!

Star Testing/AR Goals

This week our K-8th grade students were tested using either the Star Early Literacy or Star Assessment. The results of this test will be sent home in your child’s classroom Friday folder. In the school folder you will find an updated address and login info for the Home Connect program. Both the school and home site were updated over Labor Day weekend and some changes were made. The report that is sent home looks a little different than it did before, as well as other changes to the program. AR goals are also being sent home for 1st-8th grade. If you have any questions, please be sure to contact your child’s teacher.
