A New Year with The Holy Family

As we start a new year, the Church invites us to look to the Holy Family—Jesus, Mary, and Joseph—as an example for our own lives and families.

The Holy Family reminds us that holiness is often found in everyday moments—showing patience, offering forgiveness, praying together, and caring for those around us. As we step into this new year, may we invite Jesus into our homes and hearts, and ask Mary and Joseph to guide and protect our families with peace and love in the year ahead.

Church Cleaning Crew for the Week

We extend our gratitude to the following individuals for volunteering to clean the Lord's House this week: **Patty Schlotzhauer, Pam Twenter, Cindy Williams, Alma Wessing.** Thank you for helping keep our worship space clean and welcoming!

BLESSED ARE THOSE WHO FEAR THE LORD AND WALK IN HIS WAYS.

The Holy Family reminds us that holiness is lived out in ordinary moments—through love, patience, sacrifice, and trust in God. Jesus, Mary, and Joseph faced uncertainty and hardship, yet remained faithful to God and to one another. Their example calls our families to place Christ at the center of daily life, seeking unity, forgiveness, and peace in our homes. When our families strive to love as God loves, they become signs of hope and faith for the world.

God of love,
You gave us the Holy Family
as a model of faith and devotion.
Bless our families with patience, understanding,
and hearts open to Your will.
May our homes be places of prayer,
love, and peace,
where Christ is always welcome.
Amen

PRO LIFE INFORMATION

The Pro Life group meets every Monday at 2:00 in church to pray the rosary and the Divine Mercy Chaplet. Come and join us as we pray to end abortion and save the lives of unborn babies.

Let's keep on praying for our spiritually adopted babies.

Jesus, Mary, Joseph, I love you very much, I beg you to spare the life of the unborn baby that I have spiritually adopted who is in danger of abortion.

Preborn Baby at Four Months: *Before I formed you in the womb I knew you.* The baby is about 8-10 inches long and weighs about one half pound. Babies can hear at this age and hear their mother's heartbeat and other external noises like music. The baby's vocal cords are present. Life saving surgeries have been performed on babies at this age.
