Mass Schedule

Mass next week will be on Tuesday & Thursday. The 5th & 6th will have mass parts. All parents, grandparents, and parishioners are welcome to join us!

Inclement Weather

This time of year can bring winter weather and school cancellations. In the event that school is cancelled a parent text alert will be sent out. The cancellation will also be on the local news stations. We generally follow the call made by the public school since we utilize their bus system.

2nd Quarter Grades

Grade cards for students in PK-8th grade are being sent home today, along with Star Test results and AR goals for K-8th. If you have any questions, please do not hesitate to contact your child's teacher. The 3rd quarter typically brings a slide in grades. Please encourage your child to continue to do their best and work hard this quarter!

Christmas Program

Many thanks to all of you for being so understanding with the postponement of the Christmas program. The program has been rescheduled for Thursday, January 13th with a matinee at 1:30 and an evening performance at 6:30. We know this date may not work for everyone, we hope it will for most. If your child won't be able to make it that evening, please let us know as soon as possible. Thank you!

Catholic Schools Week

Catholic Schools Week will kick off on Friday, January 28th with the All-School Lock-In. The following week will be filled with different themed days and activities. There is a permission slip and note with more information regarding the lock-in in folders and an information sheet with the days themes for the Catholic Schools Week activities. We look forward to celebrating our great little school on this special week.

Catholic Schools Week Project

Every year we ask each family to work together to create a family display to hang in the church basement. This year we are asking families to create their family tree beginning with grandparents and down to the kids. Paper is being included in folders this week to create your tree on. Please be sure to include your family name and have fun working on the project as a family!

Safe Environment

Just a reminder that the dioceses has set a new requirement for parents to complete the Safe Environment Training and background check. All registration and training may be completed online at <https://diojeffcity.org/safe-environment>. Check the steps on the right-hand side of the page to get started. If you have any questions, contact Mrs. Watring.
