**Bishop's Prayer Intention for May**

"For those who have received the Easter Sacraments of Baptism, First Communion, and Confirmation this year; that they may witness the resurrection in works of sacrificial love."

Dear Parishioners:

Regarding the roof---it's done! the final cost was **\$86,870**, exactly in line with the actual bid---and nowadays, that's a great thing. A heartfelt and big "**THANK YOU!**" goes out to each and every parishioner who contributed to this project; to our various parish and---in at least one instance---community organizations for their generous contributions; to James Vollrath for his great work in being the main parish contact person in communications with the contractor (and also for repairing that water damage under the 3rd window from the back on St Joseph's side of the church); to David Lorenz and Russell Imhoff for the electrical work in putting in the at-cost water heater, respectively; to the Knights of Columbus for their generosity in underwriting the renewal of the men's room in the church basement; and to Chris Streck for his excellent work in making said bathroom look like it went through its own resurrection as he re-modeled it. Again THANK YOU!

Regarding sewers and drainage(everyone's favorite subject ---not really): there is a drainage/sewer issue with water from the church roof as it attempts to flow through the designated sewer line----there is an issue with the line: it is being evaluated and will be addressed. Secondly: the sewer coming from the rectory has backed up several times----if you want to suppress your appetite a sewer back-up works great. Chris Streck has been very kindly coordinating efforts---along with the kind digging efforts of Steve Schuster--to get this taken care of---many thanks to Chris and Steve.

On a different note, my sisters from the Buckeye State (actually the only sisters I have....) will very likely be coming in Sunday evening----I'll have to straighten up a few things in anticipation of their arrival, as hard to believe as that may be.

Finally, blessings upon junior high, high school, and college graduates of our parish----may the dear lord guide, protect, and bless them all!

Fr Kane

P.S.: we would not want our parish to be accused of gender discrimination----so wouldn't it be a great idea to show due honor to the ladies---both parishioners and visitors---by considering getting the ladies room in the church basement as nicely gussied up as the men's room is now????.....think about it. many thanks!

## SCHOOL NEWS

### Graduates

Congratulations to our 8<sup>th</sup> grade graduates! Tate Rentel and Gunner Streit will graduate on Saturday night. We will greatly miss them both and wish them the best of luck as they continue their education journey and will keep them in our prayers.

### Thank You!

A huge thank you to all of those that helped to make this year another great teacher appreciation week and a great school year! We were spoiled everyday and are grateful for the time and effort put into it by the circle and all others that helped! We are blessed to work at St. Joe!

### Tree

I'm sure that everyone noticed the new tree by the playground to replace the trees we had cut down. The tree was purchased with money from the memorial from Doris Koonse. We appreciate her family thinking of the school.

**Thank you!** Thank you so very much to all who attended, donated and helped with the baby shower in honor of our spiritually adopted babies. Diapers, bottles, wipes, cash donations and many other useful baby items were taken to the Birthright in Sedalia. Birthright is a national organization dedicated to saving babies. They provide love, support and friendship mostly to young women in need when they experience an unplanned pregnancy. Thanks to St. Joseph School children and staff for participating in the Spiritual Adoption of an unborn child. Let us all continue to pray that these children's lives be spared abortion and be allowed to continue to live.
