Many Thanks

As we come to the end of a school year that no one knew what to expect the staff would like to thank all the parents for their continued support! We know the past year brought many uncertainties, so we thank you for having faith in our school and working with us to make it through the best we knew how. Decisions that had to be made were ones that the staff never dreamed of having to make, but we came together to do what we felt was best for our students and we hope we succeeded at that! We are very blessed to have been able to provide a year that felt normal to our students when many other things around them were not.

The staff would also like to thank the Home & School for the many treats and surprises we received last week during Staff Appreciation Week! It is always more than expected and greatly appreciated!
