***What we are learning.....***

On our 3rd week the kiddos are getting use to the routine and are doing better with following the rules! This week we did a self portrait and talked about our likes and dislikes. We also did an activity about what makes us happy or sad and how we can communicate those feelings. Next week we will be learning about apples. We will learn how they grow and decide which color tastes the best. We will focus on counting seeds and apples in a bunch, as well as recognizing these numbers.
