***What we are learning.....***

Thank you to the parents who donated pumpkins this week, I really appreciate it and so did the kids! Even though most of them were hesitant to dig in and play with the stringy, seedy, inside of the pumpkin, I think they enjoyed this unit. We learned about the life cycle of a pumpkin, tasted the seeds, and were able to do a pumpkin investigation! Next week we will be working on Nursery Rhymes. We will be sequencing and working on our rhyming skills. I look forward to seeing everyone at conferences.

***October Upcoming Events***

12- Field Trip  
18- Early Out/PT  
Conferences  
19- No School  
20- Auction

***Weekly Snack List***

October 15- Eli Shadwick  
October 22- Ashton Wessing  
October 29- Allison Wolfe  
**October 11, 2018**
