Mass Schedule

Mass next week will be on Tuesday and Thursday with the 7th & 8th grade having mass parts. All parents, grandparents, and parishioners are welcome to join us!

Grandparent’s Day

After much thought and careful consideration, we have decided that we will hold a virtual Grandparent’s Day this year. We know it is something that students and grandparents alike look forward too and we look forward to holding it again next year! Students will record a performance that will be posted to the parish YouTube and we will have a creation for all our grandparents too.

No School

Just a reminder that we will not be in school on Friday, September 18th. There will be no bus service on Friday, September 25th, am or pm.

Steam Engine Show

We would like to thank everyone who helped contribute to the success of the Steam Engine Show. Thanks to all volunteers who helped out and thanks to everyone who participated in the pop-up meal train in Pilot Grove. We plan to have another meal train on Friday next year. We made over \$5,000 for the Home and School Association.

A huge thank you to the committee for all the time they put into making this event a success! While those that work give up a day, the committee members are working at the event from Monday to Sunday the week of and many days prior! We are so very grateful for their commitment and all those that worked at the event!

Mid-Quarter

Mid-Quarter Reports were sent home today with students in K-8th grade. Updates to AR goals were also included. If you have any questions, please be sure to contact your child’s teacher.

Free Dress Day

The last Friday of the month that we are in session is our free dress day, this month that is Friday, September 25th.

Free Lunches

As some are aware there has been an extension of the Seamless Summer Option that provided free lunches to students over the summer. This is now providing free lunches for students through December. We have been in the process since last week of trying to determine if we will be eligible for this program as well. While we are hopeful that we will be, we have not received final word at this time. We hope to know by next week. As soon as we know parents will be notified.

Fall Fun Afternoon

On Friday, September 25th we will be having a Fall Fun Afternoon in place of Grandparent's Day and our Fall Field Trip. Since we are not able to do either this year, we will have some fun activities and games for the students in the afternoon. As a reminder, we will be in session ALL DAY on the 25th now and there will be no bus service in the morning or afternoon.

Auction Committee Update

After much conversation between the auction committee, Mrs Waring and H&S President, Christen Stark, due to COVID-19 and the concern for overall community health, we have decided not to go forward with the traditional auction this year. We are planning a **Pulled Pork Drive Thru Dinner on October 17th**. We will have additional details out as soon as we can. We appreciate all your support and please help spread the word to save the date.

Milk Cooler

Thanks to the Knights of Columbus for funding a portion of a new milk cooler for the cafeteria! Our old cooler was not working quite like it should and it was time to replace it!
