Mass Schedule

Mass next week will be on Tuesday and Thursday with the 3rd & 4th grade having mass parts. All parents, grandparents, and parishioners are welcome to join us!

Grandparent’s Day

After much thought and careful consideration, we have decided that we will hold a virtual Grandparent’s Day this year. We know it is something that students and grandparents alike look forward too and we look forward to holding it again next year! Students will record a performance that will be posted to the parish YouTube and we will have a creation for all our grandparents too. This day we will be in school all day, more information to come about that day.

No School

Just a reminder that we will not be in school on Monday, September 7th or Friday, September 18th. There will be no bus service on Friday, September 25th, am or pm.

Please pay however it works best for your family. If you had a credit left from last year it was applied to this year's bill. Please remember that when paying lunch bills it must be a separate check from any other fees. If you have any questions, please contact the office.

Steam Engine Show

Just a reminder to look at the correct list with Friday's work list, it was sent home and emailed out. If you have any questions about the Steam Engine Show please be sure to contact a committee member.

The first blood drive of the school year will be held on Tuesday, September 8 from 1 to 6 at the community building. Any students that ask and have two people give blood will receive a hat from the Red Cross.

Picture day is set for Wednesday, September 16th. This will be a free dress day for students, but please remember to dress appropriately for having pictures taken. A Note from Home & School

St. Joseph's Home & School Association would like to welcome all families new to St. Joseph School! Our mission is to create in parents a greater awareness of the role they play with our school and help them seek a better understanding and wider support of Catholic education. Support from parents is critical to the education of children and becoming active in St. Joseph's Home & School helps to foster relationships with parents and teachers. One important function of St. Joseph's Home & School is raising funds for much-needed improvements to the school building itself or technology for the classroom. In recent years, St. Joseph's Home & School along with the St. Joseph Foundation has purchased new windows and heating and cooling units, and the Home & School purchased new interactive panels for classrooms. Through the Home & School's efforts, Chrome Books were provided to 5 – 8 grade students. Our most recent fundraising endeavor is a renovation to the student bathrooms.

Parents whose students are in grades K – 8 are automatically part of Home & School. If you are a pre-school parent and would like to join Home & School, please email homeandschoolstjoseph@gmail.com by Friday, September 11. Those with questions about Home & School are welcome to contact any of the officers: Christen Stark, 417.825.2080; Amanda Schuster, 660.888.0824; Ashley Shadwick, 660.621.3350; or Courtney Leonard, 660.621.4613

Each meeting begins at 7:15 pm and is held in the church basement. Dates for the 2020-2021 Home & School meetings are:

- Sept. 23
- Nov. 18
- Feb. 24
- May 5

We hope to see you there!
