The St. Joseph Parish *ProLife Committee* invites you to the showing of a ProLife film titled “Unplanned” on Sunday, September 26 at 10:15, after the 9:00 Mass.

We would love for you to join us downstairs in the Church Hall to view this interesting, true-life, \$6 million movie. ([www.imdb.com](http://www.imdb.com))

Unplanned is the inspiring story of one woman’s journey of transformation. All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she believed in a woman's right to choose. Until the day... Unplanned is a heart-stopping personal drama of life-and-death encounters, a courtroom battle and spiritual transformation that speaks hope and compassion into the political controversy that surrounds this issue.

## SCHOOL NEWS

### **Steam Engine Show**

A huge thank you to everyone for helping to make this year's Steam Engine Show a success, especially the committee for all the time and effort it takes to put this fundraiser together. It is truly a team effort to make it all work and we couldn't have a better one!

### **Door System**

Our new door system is now in place! With this system, key cards are used, we are able to program the door to be opened at certain times of the day, and are able to buzz people into the school building and the office. A big change is that the office door will always be locked now. Just hit the white button when coming and you will be let in. This was made possible by a Technology Grant through the Diocese.
